**\* Provider is Penn State employee**

You must continue to visit one of these physicians or health care providers listed above, if you need treatment, for **90 days** from the date of your first visit.

After this 90-day period, if you still need medical treatment, you may choose to go to another physician or health care provider of your choice. **If this situation should arise, you must let the Office of Human Resources Workers' Compensation office know within 5 days of the first visit or your medical treatment may not be considered for payment.**

If one of the physicians or other health care providers listed above refers you to another physician or health care provider your employer or his insurer will pay the reasonable bills for these services.

If you are faced with an **immediate medical emergency**, you may secure initial assistance from the nearest hospital or a health care provider of your choice. You must then seek subsequent treatment from a physician or other health care provider listed above for at least the first 90 days from the date of your first treatment.
