PROACTIVE SEARCH RESOURCES: Find companies of interest and reach out about potential openings

Company websites: Create a list of employers that interest you and search their websites. You can use the following websites to help you find companies:

Hoover's - Build a list by location, industry, and size. Find this database under 'H' at <http://www.libraries.psu.edu/psul/databases.html#h-content>

Vault Online Career Library (Career Insider) - Industry Guides and company reviews. Find this database under 'V' at <http://www.libraries.psu.edu/psul/databases.html#v-content> – Create a username and password.

Google Maps - <https://www.google.com/maps/> -To find industry companies in a certain location- search a location, such as 'Pittsburgh, PA,' and then use the 'Search Nearby' tool to search for industry companies in the area, such as 'Engineering Firms.' Then go directly to company websites.

Erie Chamber of Commerce (Directory of Erie Businesses) - <http://web.eriepa.com/search> Directory of companies located in Erie.

NETWORKING RESOURCES: Utilize your existing relationships to make new career connections

Current Network- Connect with professors, supervisors, alumni, professional organizations, family, etc.

LionLink- Connect with Penn State alumni via the 'LionLink' tab on Nittany Lion Career Network. Search by industry or employer.

Social Networking- <http://www.Linkedin.com> – Create a professional, detailed profile and connect with people. There is also a 'job search' function once you have an account.
