

## CASE INTERVIEW TIPS

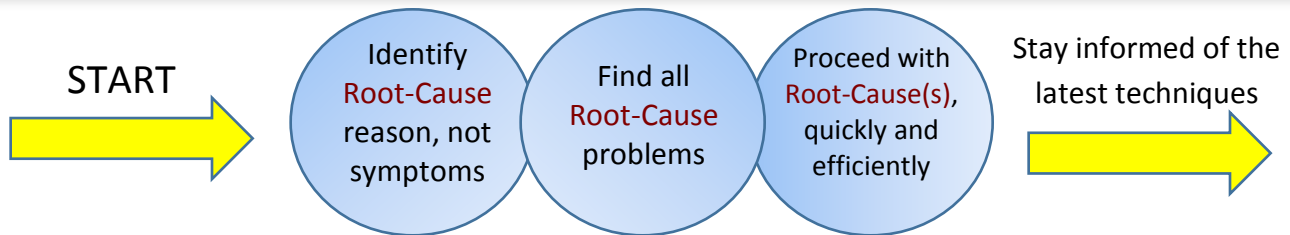

### What is a Case Interview?

- Specific type of interview used by employers to evaluate how you think, analyze and work through scenarios
- 1-on-1 formatted interview with case data revealed at the time of the actual interaction

### Why do employers use Case Interviewing?

- A strategy for the employer to witness face-to-face how you solve an issue, sometimes with less concern on whether the question is answered correctly, and more focus on process of problem-solving
- Strategy for an employer to identify your methodology in solving problems, regardless of the scenario

**CASE INTERVIEWING = INTERVIEW + BUSINESS CONTEXT + COMMUNICATING YOUR ANALYSIS**
